Its soaring glass ceiling and natural stone masonry bring the outside in, making this the ideal venue for a reception under the stars or sunlit ceremony.

Our spacious (20m x 40m) clear span marquee stands within Ditton Manor's picturesque grounds, providing guests with breath-taking views of the manor house, moat and landscaped gardens.

A flawless blank canvas for your day, the marquee's interior and exterior can be tailored to match your exact theme – whether you want a romantic country wedding complete with bunting and wildflowers, or a rich, vibrant celebration incorporating stages for the bride and groom and dramatic lighting.

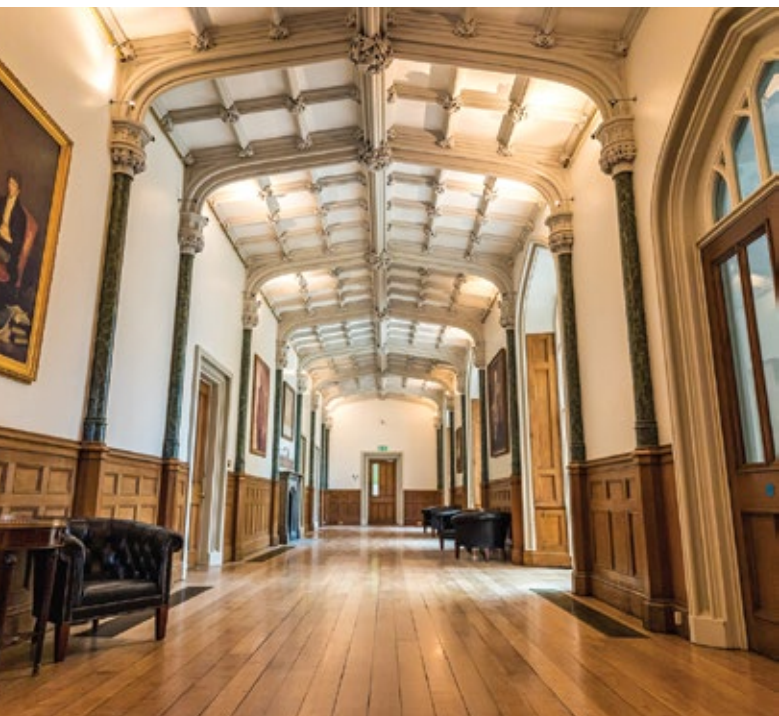

EXCLUSIVE USE

As a venue, we only ever hold one wedding at a time so that you can enjoy the venue with your guests on your special day.
